

Greetings SWACCA Member,

I am proud to present to you SWACCA's Membership Kit. This kit includes information about SWACCA – the Signatory Wall and Ceiling Contractors Alliance – as well as resources available to you as a SWACCA member.

SWACCA was formed in November 2015 to protect and grow the market share of signatory wall and ceiling contractors while promoting and enhancing our industry. Contractors become members of SWACCA via membership in a SWACCA regional affiliate association.

SWACCA is the only national contractor association exclusively for the signatory wall and ceiling industry. Our mission is to enhance union construction by providing business tools and resources to you, our members. We strive to develop relationships, provide education, and lead advocacy efforts in our industry.

SWACCA currently represents the interests of more than 400 contractor members across the United States. Those interests include objectives in government relations and advocacy, labor relations, technology and innovation, member engagement/recruitment, and communications and marketing.

Please take some time to review the materials in this member kit. In addition, please consider following SWACCA on its social media channels: Facebook, Instagram, Twitter, and LinkedIn.

Thank you for your support of SWACCA!

Sincerely,
